

**SAVE THE GRAY WHALE NURSERY!**

A newborn gray whale "spy hopping" in the San Ignacio Lagoon - the last untouched whale nursery on Mexico's Baja California coast. NRDC is fighting to stop Mitsubishi and the Mexican government from building the world's largest salt factory at the Lagoon.

*Dear Sir:*

*I am requesting that you ban forced molting of laying hens. (Feed withheld for days to cause hens to produce more eggs) also causing human illness. It is very cruel to perpetuate poultry.*
